requested. Access to the school's own open WiFi (SSID: BYOD) of the European School Karlsruhe can only be granted if the following regulations are accepted and observed:

- The school (school management) does not accept any insurance or liability for the equipment used. This applies in particular to damage, loss or theft of both hardware and software.*
- access to the school's own open WiFi (SSID: BYOD) of the European School Karlsruhe is open. Appropriate measures to secure the personal terminal device must be taken by the applicant or his/her legal representative. The access cannot be transferred to a third party nor on any other device.*
- Only the applicant or the legal representative is responsible for the software used on the device. This software is to be adapted to the needs of teaching and may not be an illegal or unlawful application. Das*
- Loading of equipment within the school is tolerated, but does not create any obligation on the part of the school to provide this permanently.*
- the instructions and regulations of the teachers in the classroom and on the school premises with regard to the use of the equipment must be observed.*

Note on data protection: In order to grant access to the open WiFi of the European School Karlsruhe, it is necessary to store the data collected before the access is granted for the duration of the access. Once access has been granted, this data will be destroyed after 6 months.

The above-mentioned details have been entered truthfully and the regulations and instructions are accepted by the following signature and will be followed in future.

Karlsruhe, the
