Abwesenheit/Absence

Artikel/Article 30.3.b*

Wenn am Ende des ersten Semesters erkennbar wird, dass die Zahl der Abwesenheiten in einem oder mehreren Gegenständen die **10% - Grenze** der tatsächlich unterrichteten Unterrichtsstunden überschreiten könnte, informiert der Direktor, die gesetzlichen Vertreter des Schülers über die Gefahr, dass der Schüler nicht zu den Abiturprüfungen zugelassen werden könnte.

If, at the end of the first semester, the number of absences seems likely to exceed the **threshold of 10%** of the periods actually organised in one or more subjects, the Director will warn the pupil's legal representatives of the risk of being unable to take the Baccalaureate examinations.

ANNEX I	European School: KARLSRUHE	Language section: English	Surname and first name: SMITH John
CHOICES OF EXAMINATIONS IN THE 2021 EUROPEAN BACCALAUREATE SESSION			
ARTICLE 4 — CONTENT, LEVEL, LANGUAGE OF EXAMINATIONS AND OTHER RESTRICTIONS			
4.1	Content of Examinations The examinations will normally cover the year 7 syllabus, but will also assess the knowledge, skills and attitudes acquired in previous years, especially in year 6.	4.2.1.4	Pupils following a subject in s7 in a different language from the one they followed it in s6, due to a change of school between year s6 and s7 or staffing imperatives, will take their examinations in the language they are taught in s7. However, upon request, the Director may allow a pupil to take an examination in the language the subject was followed in s6. In this case, internal assessment cannot be assured by either the s6 in the previous school or the current s7 teacher and a second external examiner may be appointed by the Director of the School in consultation with the Inspector responsible for the subject and the European Baccalaureate Unit. In both cases, the provisions in 6.4.6.8 will apply.
4.2	Language and Level The examination (written and oral) in each individual subject must be taken in the language and at the level followed in years 6 and 7.		
4.2.1	Exceptions	4.2.1.5	All changes must comply with the administrative provisions in force.
4.2.1.1	If a course is taught in more than one language in a class, a candidate may choose to sit the examination in any one of the languages used. This will be clearly indicated in the registration form (annex I). The Schools will introduce it into the <i>School Management System</i> (by the 20 th of October). Once the choice of language is introduced, it will not be changed.	4.3	Other Restrictions
		4.3.1	The substitution of one option for another is not permitted.
4.2.1.2	Between s 6 and s7, only the following changes of level are possible: •Mathematics 5 ↔ Mathematics 3 •4-period option ↔ Compulsory 2-period course (same subject) A change to a more advanced course (Mathematics 5, 4-period option) is conditional upon the passing of an attainment test demonstrating the pupil's ability to keep up successfully with the requirements of the course requested.	4.3.2	Dropping an option, advanced course or complementary subject between year s6 and s7 is possible, provided that there is compliance with the administrative provisions, more particularly the minimum number of periods required, i.e., 31 (minimum 29 periods of compulsory subjects, options and advanced courses + minimum 2 periods complementary subject).
4.2.1.3	Requests for changes, in respect of both language (article 4.2.1.1) and level (article 4.2.1.2), submitted at the end of year 6 must be also accompanied by the Class Council's opinion. They will be examined by the Director, who will decide.	4.3.3	Adding a new option, advanced course or complementary subject in year s7 is not allowed.
		4.4	Information for the Pupils Pupils must be informed of the provisions in this article at the time when they make their choices, on going into year 6.

In particular cases, pupils may register for the Baccalaureate in an additional option subject, whether or not they have attended lessons in the subject in question at the School. Admittance to this additional Baccalaureate examination may be authorized only if documentation is provided to show that an examination in the subject is part of the conditions for admission to the higher education studies on which the pupil wishes to embark.

Dans des cas particuliers, les élèves peuvent s'inscrire à une épreuve supplémentaire du Baccalauréat portant sur une matière à option, qu'ils aient suivi ou non le cours portant sur la matière en question dans l'Ecole. L'admission à cette épreuve supplémentaire est accordée uniquement s'il est établi qu'un examen dans cette matière fait partie des conditions d'admission aux études supérieures que l'élève souhaite entreprendre.
