# Organisation of the teaching of this subject during the 7 years

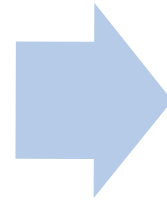

- *We offer a 4 period option course in a 2 year cycle – years 6 & 7.*
- *If students do not choose this, then they must study the **COMPULSORY** 2 period course – in years 6 & 7.*
- *Our courses are offered in the Mother Tongue of the student's section: English, German or French.*
- *The 4 period course can also accommodate a student who is studying Philosophy in his/her second language, if the course does not run in their Mother Tongue.*

# Course Content is divided into 4 Domains:

Year 6

1<sup>st</sup> Semester of s6  
: Epistemology

2<sup>nd</sup> Semester of  
s6 : Ethics

Year 7

1<sup>st</sup> Semester of s7  
: Political  
Philosophy

2<sup>nd</sup> Semester of  
s7 : Anthropology

# Philosophical skills are key to many areas of study in other subjects:

# Philosophy is great preparation for university!

Many former recent ESK students are studying related subjects at top English-speaking universities eg Princeton U.S.A., Trinity College Dublin, King's College London and Durham University.
