Challenge Area

Sam was very proud of being able to take the cakes to each doorstep all by himself.

Your challenge today is ...

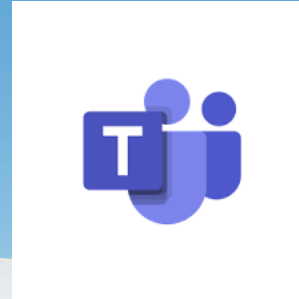

Draw a picture of things that you can now do all by yourself.

First watch the 'I'm a can-do kid' song

Think about:
Which things you can now do all by yourself.
What are you most proud of?

Have your photo taken and share it on OneDrive.
Remember to look at everyone else's pictures too!
