- c. Girls and boys are separated during physical education lessons.
- d. Only the Catholic and Protestant Religions are taught at school. **It is possible that Religion courses are not taught in French: this depends on the number of applications.**

- f. **Music, Art and Physical Education lessons are given to mixed groups of pupils from all three language sections.** The teachers will use at least two of the working languages to teach the pupils.
- g. **If a course is created with less than seven pupils, the number of periods allocated to the course will be reduced according to official rules.**
