

JOB OFFER

Mathematics teacher for Secondary School **European School Karlsruhe - Germany**

To start in February 2022

*The European School of Karlsruhe offers education to approx. 1000 pupils, in three linguistic sections (DE, EN, FR), from 3-18 years. We require an experienced teacher of **Mathematics** to European Baccalaureate level (A-Level) for the secondary school. Applicants must have a **Degree, PGCE or equivalent teaching qualification** and be **fluent in English**. Experience in international or European schools would be an advantage. The position involves around 20 hours of teaching in the secondary classes in the Anglophone section.*

The successful candidate will be working under the authority of the Director of the European School, in a multi-lingual, multi-cultural environment, in a school with an outstanding academic record. The European Schools are official educational establishments controlled jointly by the governments of the Member States of the European Union. In all these countries they are legally regarded as public institutions. There are currently 13 European Schools in 6 countries. Information, also concerning employment conditions on the Official website of the European Schools (www.eursec.eu)

The European School of Karlsruhe is located in one of the most dynamic regions in Europe. The city of Karlsruhe is located between Baden-Baden and Heidelberg, very close to the French border. Karlsruhe has a lively cultural landscape coupled with parks, lakes and woods. As one of the warmest cities in Germany it is a perfect place for hiking in the Black Forest, cycling along the Rhine, visiting the Alsace or following the German Wine Route. <https://www.karlsruhe-tourismus.de/en>

Send your application (CV, covering letter, referees) to:
louise.waehling@eursec.eu by the 10th of January 2022.
