- **Three language sections** at the ESK (German, English and French)
- **From Nursery through Primary to Secondary** culminating in graduation
- with the **European Baccalaureate**, internationally recognised and
- allowing worldwide opportunities to study
- **Multilingual education** in all EU languages - as mother tongue
- **High-quality** tuition and a high level in languages,
- **Qualified native speaker teachers**
- **An Online Teaching and learning platform** that works since several years

# A common school vision in teaching and learning, from the KG to the EB:

## 1.

**To assert the European and international dimension of the school**

- To offer high standards in mother tongue and in foreign languages
- To develop strong partnerships with other schools in each language section
- To develop pupils' exchanges
- To strengthen cooperation across languages sections

## 2.

**To be an innovative school**

- To foster project oriented learning and teaching
- To develop digital competences and projects
- To support new ideas and projects

## 3.

**To foster pupils' autonomy and sense of responsibility in learning**

- To develop social skills
- To enable each pupil to become an active learner
- To develop teamwork
- To prepare our pupils for the next stage of education
